Frequently Asked Questions

How often must teachers update the grade book?

Teachers will update their Infinite Campus grade books twice a month – on the 15th and 30th. Some may do it more frequently but this is not a requirement.

Who should I contact if I have a question about my child's assignment or grade?

Please contact your child's teacher.

Who should I contact if I have problems accessing the grade book or need to get a parent portal account?

Please visit the school district website @ www.tufsd.org and click on the Parent Portal link on the left navigation bar to request an account. Please email Mrinalini Rajwar at mrajwar@tufsd.org if you need technical support for the portal.

Will the portal be open for assignment grades all the time?

We will close the parent portal for assignment grades for approximately 2 weeks each marking period while teachers are entering final grades. This will happen a few days before the marking period is over until the report cards are mailed. You will still be able to access other features such as attendance or the schedule during that window.
