

January 2012

Dear Sleepy Hollow Alumni:

Without a doubt, our high school days shaped our character and played a substantial role in who we are today. Whether it was an inspiring teacher or coach, a lasting friendship, an occasion of encouragement or motivation, our connection to those important years is part of our personal history. With this in mind, the **Foundation for the Public Schools of the Tarrytowns** is offering its alumni an opportunity to connect their past with their Alma Mata's future. The Public Schools of the Tarrytowns recently opened its state-of-the-art auditorium; the site of music and arts performances, awards ceremonies and general school functions. As such, it will be the center of activity for many years to come, creating special memories for each new generation of students.

Each seat in our auditorium (700 seats, 245 sold) will bear an engraved brass plate. We would love to inscribe a plate with your name and class, or if your wish, an inscription in honor of or in memory of someone in your life – perhaps a beloved family member, or a teacher, coach or classmate who you remember as special. **For a fully tax-deductible gift of \$100 to the Buy a Seat Campaign**, it will be our pleasure to engrave (there are twenty-one spaces per plate) your sentiments and inform whomever you wish of your gift. You may use the form below with a check or credit card. Or you may call 914.366.8457 or email us (see address above) if you prefer to order by phone or email.

Please know that your generosity will provide the extras that help give our students an edge in today's complex world. Technological advancements, music, the arts, sports, special trips and experiences and so much more are what we fund, and we humbly ask that you partner with us in fulfilling our mission. Many, many thanks for your time and consideration.

Sincerely,

Elizabeth DeMartino

Elizabeth DeMartino, Buy-a-Seat Campaign Coordinator
