October 27, 2009

Dear Parent or Guardian:

This Friday, October 30th, we will continue our yearly tradition of celebrating Halloween. You may find the following information helpful in planning you and your child's day.

In the early afternoon, each class will choose a way of celebrating in their classroom. Please connect with your class parents to better understand how the class will be celebrating.

Children will have time to change into costumes before their parties and the annual parade. You may pack a costume and send your child to school with it so that he or she can put it on after lunch or recess. We prefer that students not wear their costumes to school. Thank you for your help on that!

At 2:00 p.m., the children will parade around the playground in their Halloween costumes. All parents who would like to assist the teachers are invited to come to the classrooms and all are welcome to view the Halloween parade. After the parade, the students will change back into their regular clothes (before dismissal).

We also appreciate your help in making sure that all costumes are appropriate for school. Please do not send any items that represent a weapon of any kind (e.g. swords, knives, nunchuks or fake guns) to school on Halloween. We also want to remind all parents of the dangers of head lice. Please make sure that any hats or masks have your child's name in them. Please also help us by continuing to remind your child not to share hats, masks or anything that touches their head. We are reminding students to do the same at school.

Thank you for your help in making this a fun and safe Halloween for all.

Sincerely yours,

Meghan Fitzgerald
Principal
