Re: NYS Teachers' Retirement System PREP Seminars

Date: October 3, 2019

The New York State Teachers' Retirement System offers a number of retirement planning tools, such as personal benefit consultations and group seminars. I encourage you to review these tools by visiting NYSTRS.org. On their website there are links available for the [2019-20 Benefits Consultation](#) and [Fall 2019 Pension & Retirement Education Program \(PREP\)](#) schedules. You can also book appointments at those links. The schedules are accessible through the [Retirement Planning](#) page.

Please see the attached flyer for more information and the fall 2019 schedule of PREP Seminars.

Pension & Retirement Education Program (PREP)

No matter how far along you are in your career, careful financial and retirement planning are critical. A NYSTRS PREP seminar can help members of all ages. Tailor the program to fit your needs! Stay the full day or just attend the modules that help you most: NYSTRS benefits; financial planning; Social Security; estate planning; retirement—a new beginning; filing for retirement; and the retirement process. Seminars run 8:30 a.m. to 3:30 p.m.; check in begins at 8 a.m., and you can see the full day's schedule on our website's Retirement Planning > Pension & Retirement Education Program page. It's free and your spouse/companion can attend too, but you must make a reservation in advance.
