Student Assistance Services Counselor

While we are eLearning, our student assistance counselor, Gina Donahue, will continue to offer services for students and families. Ms. Donahue is a Licensed Mental Health Counselor who specializes in substance abuse prevention. If students or parents are in need of assistance or help linking to treatment providers or other services in the community, please send an email to gdonahue@tufsd.org. Ms. Donahue will set up a time to connect with students and parents during school hours and all communication is confidential.
