

The Sleepy Hollow High School Teacher Parade will take place this Thursday, June 4th. This is a parade for all the high school students to see their teachers before the end of the school year. The parade will start at 4pm from Sleepy Hollow High School. The route follows the main roads starting in Sleepy Hollow travelling to Briarcliff Manor then to Pocantico and finishing in Tarrytown. A copy of the route is attached. Due to the size of the parade, we are limited to the main roads. We ask that students and their families to walk to the parade route and be patient as you wait for us.

Here are the rules we need you to follow to maintain everyone's health and safety:

1. Please wear a face mask or cloth face covering.
2. Please honor the 6 feet social distancing requirements; you cannot gather with friends and other families as much as you miss them and want to see them. You may gather with members of your own family and with individuals with whom you have been isolating.
3. Please stay out of the road; stay on the sidewalk or near the side of the road if there is no sidewalk. Do not approach any cars. This is for everyone's safety. Feel free to wave, bring a sign, yell 'hello.' We need to keep the same social distance between the members of the parade and those watching.
4. Once the parade passes your area, please return home. We must respect the current rules and avoid gathering in public places.

The administrators, teachers, and staff can't wait to see our students. We will see you on Thursday.

El Desfile de Maestros de la Escuela Secundaria Sleepy Hollow tomará lugar este jueves 4 de junio. Este es un desfile para que todos los estudiantes de la escuela secundaria vean a sus maestros antes del final del año escolar. El desfile comenzará en la Escuela Secundaria Sleepy Hollow a las 4pm. La ruta sigue las carreteras principales que comienzan en Sleepy Hollow y viajan a Briarcliff Manor, luego a Pocantico y terminan en Tarrytown. Se adjunta una copia de la ruta. Debido al tamaño del desfile, estamos limitados a las carreteras principales. Les pedimos a los estudiantes y sus familias que caminen hacia la ruta del desfile y sean pacientes mientras nos esperan.

Aquí están las reglas que debemos seguir para mantener la salud y la seguridad de todos:

1. Por favor, use una máscara facial o una cubierta de tela para la cara.

2. Por favor, cumpla con los requisitos de distanciamiento social de 6 pies; no pueden reunirse con amigos y otras familias, aunque los extrañan y quieren verlos. Pueden reunirse con miembros de su propia familia y con personas con las que se ha estado aislando.

3. Por favor, manténgase fuera del camino; quédese en la acera o cerca del lado de la carretera si no hay acera. No se acerque a ningún automóvil. Esto es para la seguridad de todos. Siéntase libre de saludar, traer un letrero, gritar 'hola'. Necesitamos mantener la misma distancia social entre los miembros del desfile y los que observan.

4. Una vez que el desfile pase por su área, por favor regrese a casa. Debemos respetar las normas actuales y evitar reunirnos en lugares públicos.

Los administradores, maestros y personal no pueden esperar para ver a nuestros estudiantes. Nos vemos el jueves.
